1. full of cracks

"Do you really know what the word "CRAZY" means? Maybe you were told you have a *crazy* outfit on or just have a *crazy* bunch of friends. Many students have used the word to describe many things.

During the school year, it seemed the crazier you got the more fun you had.

With the football season came the idea of shouting school cheers, dog-piling in the bleachers at football games and showing school spirit with anything and everything that had "PATRIOTS" written on it. To follow up the night, Patriot fans left the game to either go dancing or to their favorite hangouts.

1984 League Champions

"The great pleasure in Life is doing what people say you cannot do."

Compiling the Best League Record in the school's history, the Orange Glen Water Polo team was 12-2 in league and 15-5-1 overall. This team worked long, hard hours over the years to arrive at this point.

The players are (Left to Right): Mike Stanley, Mike Hinton, Bruce Belnap, Steve Weiler, Todd Downey, Satoshi Miura, Terry Wrightson, Brett Anderson, Coach Rutledge, Paul Whiteley, Brian Seymour and Jeff Reimer.

Spirit Can Be Expressed In Many Ways

"Look at that *Crazy* girl with the funny hat on. Do you think she is embarrassed?"

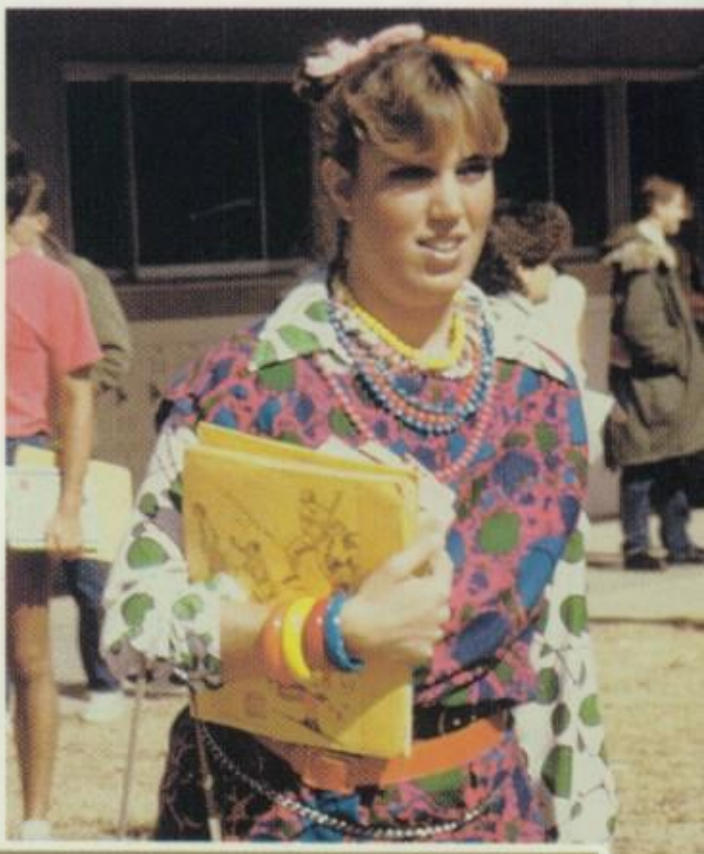
During the week of Homecoming, students showed their spirit by dressing up every day during spirit week. The week started off as Monday being Pajama Day. The morning was quite frosty and many were glad to wear their warm pajamas.

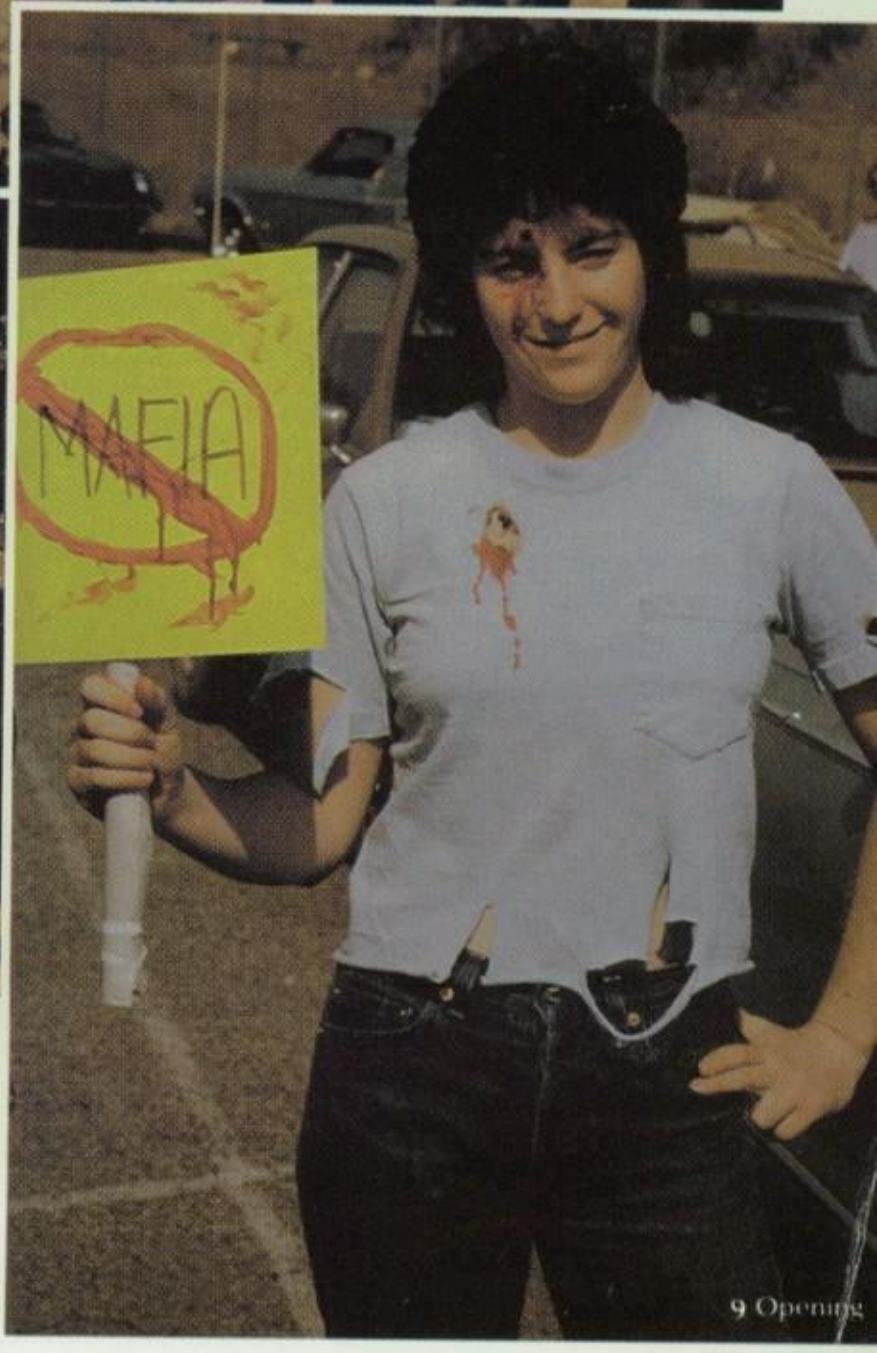
On Tuesday, the campus looked very dim and black. Due to the fact that it was Mafia Day, many wore black clothes and fancy furs.

With the thirty-first falling on Wednesday, it was noted as Halloween Day. Classes were filled with outrageous costumes.

Thursday was Revenge of the Nerds Day. Many students wore broken glasses which were taped in place.

To follow up the week, Friday was Red, White and Blue Day. Most everyone wore school colors. The week was a great success and made Homecoming extra special.





MAFIA

Is There Life After Dark?

"What do you want to do on Saturday Night? ... Should we go to a movie? ... How about bowling?, ... Or shall we just go cruising?"

Friday and Saturday nights were filled with both fun and excitement. Due to the fact that there was no school until Monday, made the nights a perfect time to get out and go *Crazy.*

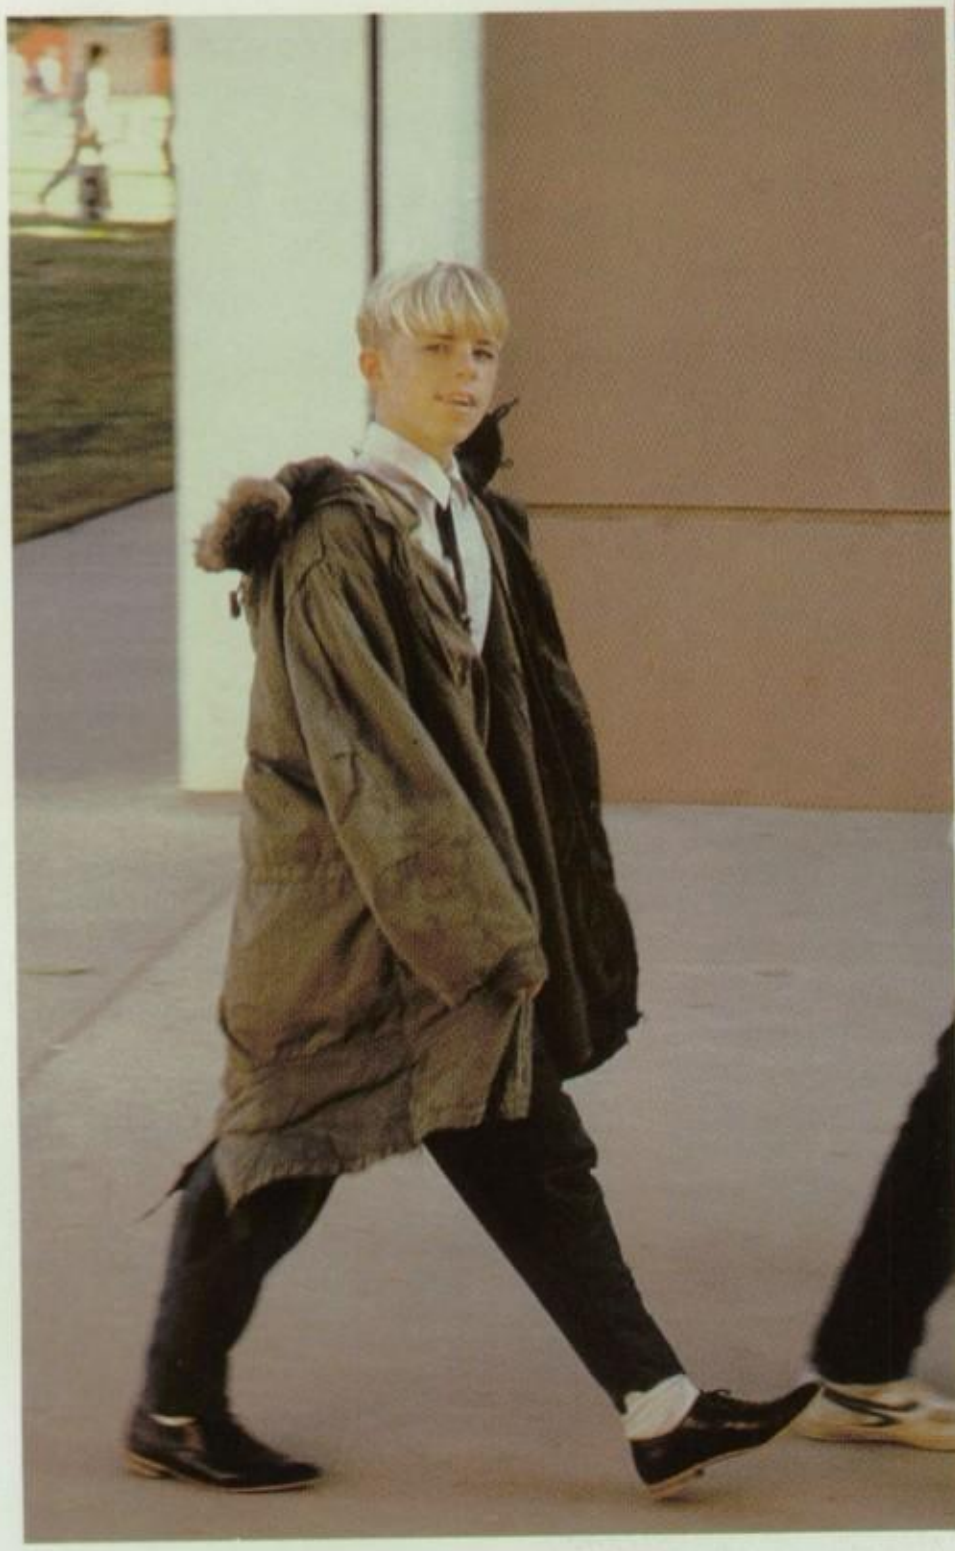
Valley Parkway, which is located in downtown Escondido, attracted numerous people socializing with friends and getting out to show off their cars. As shown here from the top of Palomar Hospital, the lights and cars seemed to continue on forever.

Fashion Trends Students Start

Many students changed their image and began wearing the new and latest fashions. Some brightened the campus with bright, flourescent sweatshirts, pants and socks, while others went back in time and wore stylish knit skirts, string ties and sportsjackets from the late 50's.

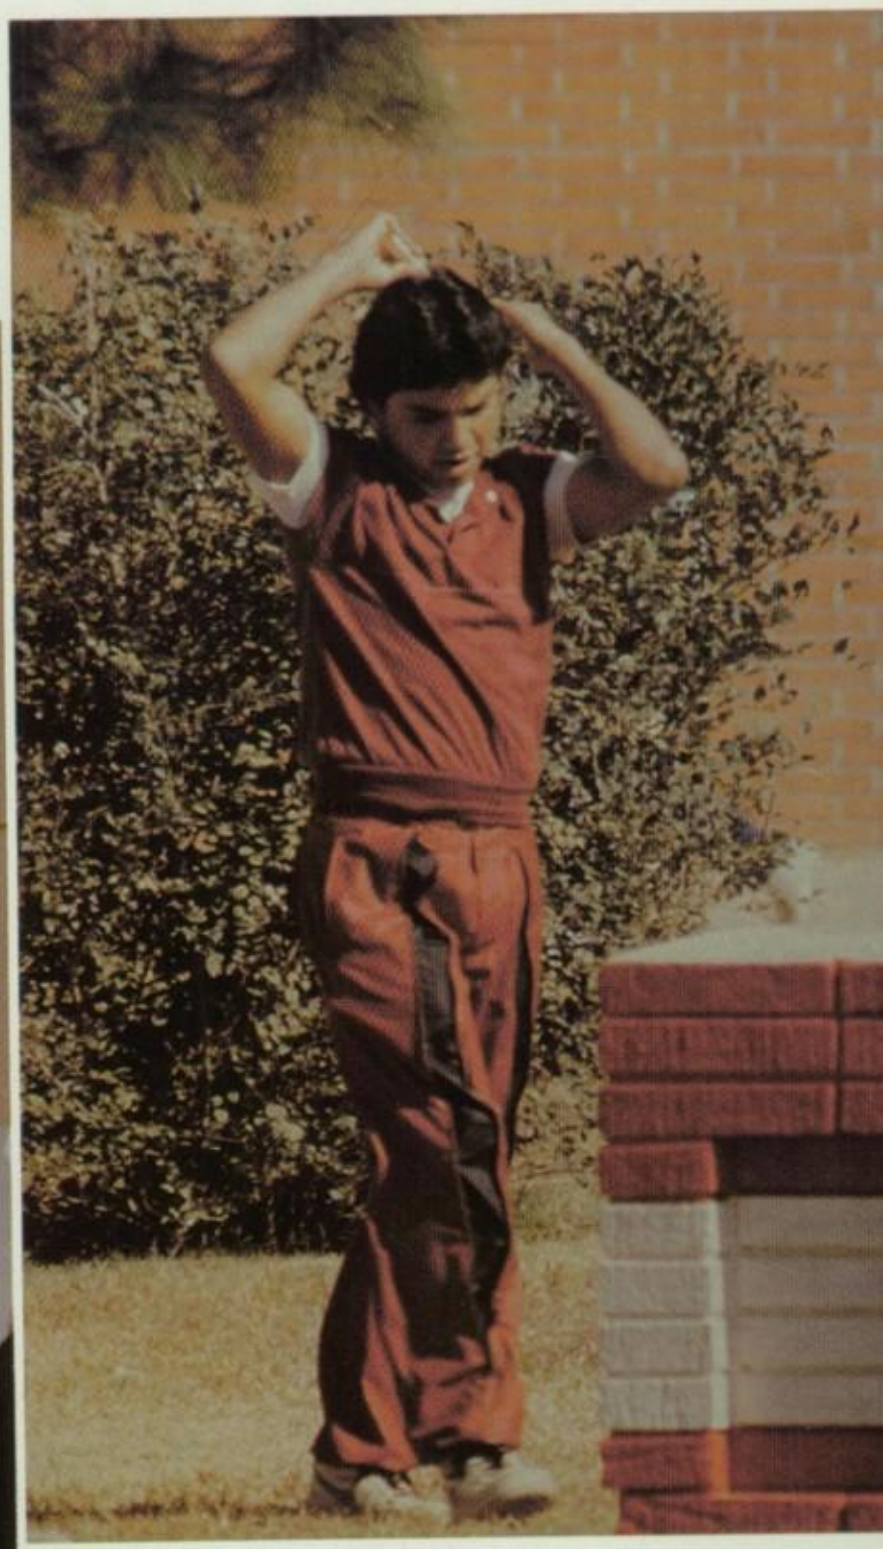
Along with the clothes came a change in hairstyles. The new cuts ranged from bilevel haircuts to flat tops.

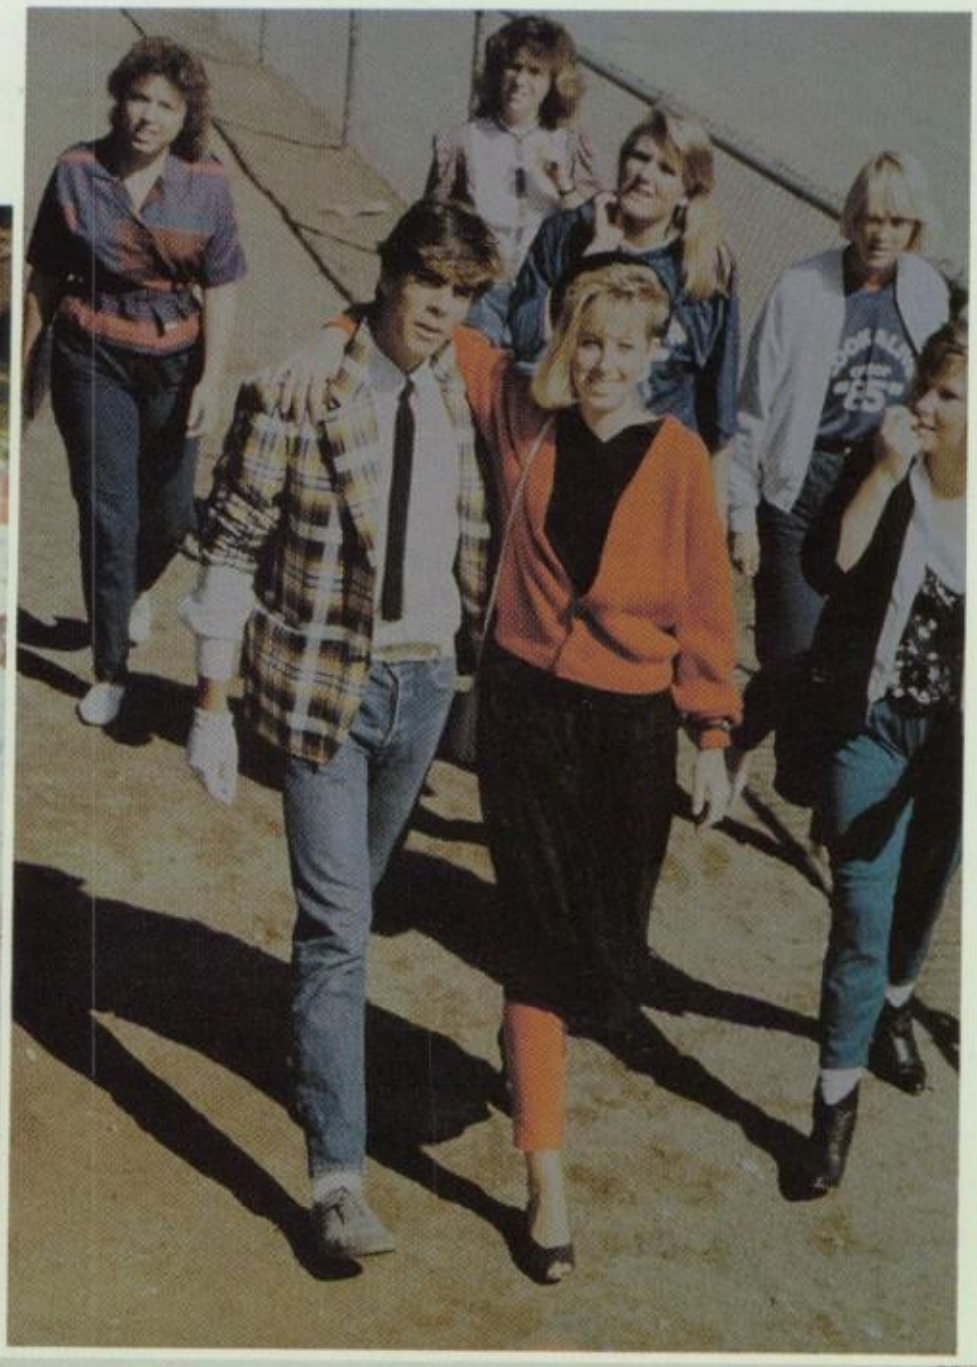
With the clothes and hair styles came the jewelry fashions. Chains were used as belts and as bracelets. Earrings were worn by both girls and boys, and were mostly made of gold and silver metalic metals.



On a cold afternoon, this student poses to show the latest in winter fashions.

Displaying the "breaking" clothes, this student wears a pair of fashionable parachute pants.





After the last bell, Steve Lindley rushes to the student parking lot.

During the Senior picture, Shane Oliver and Jerece Doyle parade in front of the bleachers.

Making Choices

"May I take your order? . . . Can I help you? . . . Would you like cheese on your whopper? . . . Is that for here or to go? . . . That will be $5.36 at the window." These are just some of the *Crazy* questions the students faced during lunch.

Most of the upperclassmen speeded off campus at noon to enjoy lunch at numerous fast food restaurants. One would think that forty minutes would be enough time to leave campus, eat, and reach sixth period on time. But many had a tough time with the tardy rule.

Not all of the students left campus at lunch. Many sat outside and chatted with friends. Others hit-the-books and used the school facilities to do more studying.

Around The World In 80 Days

As the clock ran out, the halftime show was ready to begin. The Patriots were ahead by one touchdown and looked forward to a win against the Poway Titans.

With the homecoming theme "Around the World in 80 Days," all the classes had spectacular ideas for their floats. The Seniors went back to the Orient and decorated their float with numerous Japanese and Chinese decorations.

The Juniors traveled across Saudi Arabia. The float carried a big oil well and many Arabs.

Traveling to Greece, the Sophomores dressed up in togas to escort their float.

The Freshmen didn't have to travel too far, because they took the USA, decorated as a big hot air baloon, with red, white and blue.

Look Alive '85

Although the 1985 school year will soon come to an end, the memories of our stay at Orange Glen will live forever in our minds. As we look forward to graduation we think of the fun times we've shared and the fun times still to come. Since our freshman year we have become a class whose spirit has grown. LOOK ALIVE, Class of 85, because there's still more to come!

Records Made By Team

During his first year guiding the Orange Glen varsity football team, coach Jeff Carlovsky designed the blueprints for a winning football program. He introduced an explosive offense led by quarterback Jonathan Mitchell and All San Diego County wide-receiver Jim Rhinehart. Coach Carlovsky also incorporated into his plans a swarming defense which recorded the school's first shutout in three years. Special teams were another component in the design for success. This year's special teams saw Kelly Brown set a school record by kicking a 44-yard field goal.

The foundation has been set for a winning football program at Orange Glen High School.

To gain some yardage quarterback Jonathan Mitchell hands off the ball to his halfback.

Frosh Gridders Have Trying Time

The Freshmen team showed team spirit and improved throughout the year. Coach Meyer said they lacked fundamental skills, but nothing they can't work on for next year.

The team had quite a few hard working players this year, such as on offense: Offensive-lineman: Mike Brady; Running-back: Frank Choumas; Quarter-back: Dan Early. On defense: Defensive-lineman: Tomas Esposito; Defensive-back: Troy Tuve; Line-backer: Greg Anderson.

The freshmen team also dusted Ramona, 7-0, and tied Poway, 0-0.

The team played its best game against San Marcos. Coming back from an 0-5 loss a week earlier, Orange Glen won with a 3-1 score.

Voted by their teammates this year's Most Valuable Players were: Mary Miller for Most Valuable Offensive Player; Cheri Bogart for Most Valuable Defensive Player: and Jeanne Schriock for Most Valuable All-around Player.

Highlights came at the Southern California Cross Country Invitational where they placed second and at Mt. S.A.C. where they took third. They ended the season with a fantastic finish, placing second in league and third in C.I.F.

Standouts for the varsity included Ulysses Belardes, earning first team All-C.I.F. honors, and Rene Zepeda, junior Bobby Alvardo, and Junior David Huey, all earning second team All-C.I.F. honors.

John Hilton, Lane Johnson and Billy Havens were the top three runners for J.V. while John Salisbury, Jeff Graham, and Paul Gentile led the freshmen.

The Varsity Girls Cross Country Team was plagued by injuries this season but still made a good showing at the meets. They were led by sophomore Kris Manell, junior Ann Grady and senior Stacey Liguori. Stacey, along with Tammy Foster, Carrie Groh and Pam Jimenez, are seniors whose leadership and consistency will be missed.

For the Junior Varsity CC Team, freshman Kim Tobias, sophomore Lynn Haywood and junior Madeline Gulla were the top three runners.

Barbecues, watermelon feeds and workouts on Palomar Mountain made running fun, and spray-painting everyone's hair red, white and blue at Mt. S.A.C. made spirits high.

The girls Varsity tennis team had many inspiring players this year. Chris Dowler (junior) was named most valuable player and all-league first team.

Cammi Allen was awarded for most improved. All but three of the varsity players will be returning next year. The graduating seniors include Renee Armstrong, Karen Borer, Deanna Maus, Nancy Stephanovich and Jill Weir. Coach Parker will miss their leadership but there are a numerous hand of working Junior Varsity girls to replace them.

J.V. Gains Experience

Junior Varsity worked very hard this year and learned a lot. Many of the girls began the season having never played competitive tennis before, so the season was one of learning a solid game. Skills and strategy were stressed.

Nancy Stepanovich, Deanna Maus and Kerry DeCotes were given trophies at the end of the season's award's ceremonies. Other players who did well included Sandy Parrotta, Sheri Parker and Chiaki Miura.

Varsity Floors Opponents

The Patriot Varsity Wrestling Team was once again a team to be reckoned with. Over the summer, to get into shape for their upcoming season, a number of the team members bicycled from Escondido to Lake Tahoe and all the way back, a distance of 850 miles! Once the season started, they proved all the training and help of Coach Dennis Zabinsky paid off. Some of the outstanding players included Sonny Steinbaum, ranked fourth in the county; Kelly Brown, ranked third in the county but suffered an unfortunate arm injury early in the season; and Mark Dunn, ranked second in the county. Other contributing members were Jose Guadarama, Tony Knight and Boyd Johnson. The varsity placed in the top 10 all year and hopes for next year look just as good.

Practice Pays Off For JV

The Patriot Junior Varsity also had a very good season this year. After long hours of practice with Coach Dennis Zabinsky, the team had a good showing at many of the different tournaments. In Junior Varsity team competition, the team placed fourth at the Fallbrook Tournament, and third at the Carlsbad Tournament. These are two of the more important tournaments of the season. Some of the many outstanding members were Paul Temprendola, Mark Long and David Favela. Up and coming freshmen will add great support to next year's team.

Frosh Has Difficult Season

The Patriot Frosh Wrestling Team also did very well. Again, Coach Dennis Zabinsky gave his expertise and lots of practice to make this year's team one of the better frosh teams in the county. Among the outstanding wrestlers on the frosh team were Mike Brady, who won twice in individual competition at tournaments, and Jim Rider, who placed in one of the tournaments. Coach Zabinsky has high hopes for fresh talent for next year's team.

Young Soccer Players

The Varsity Girls Soccer Team started off this year with a well-balanced team in both offense and defense. Top performers for varsity were sophomore Cheryl Dunbar, freshman Erica Leigh as the top scorer, and junior Janice Taft as the outstanding goalie. Graduating seniors were Karen Adams, Pam Jimenez, Lenora Poole, Nancy Stepanovich and Shelly Balogh.

Outstanding players for the junior varsity were sophomores Amy Hunter and Chris Rutledge, and freshman Anita Rojas. Offense was the key for this young team with the top scoring of Debbie Mellon.

Varsity Soccer Kicks The Season

The Varsity Soccer season started off well overall. The team played against teams which were more skilled. This resulted in multiple injuries.

Coach John Napier feels that the team will do well next year due to the fact that the team is comprised mainly of sophomores and juniors. There is even a freshman on the team.

The future looks very promising, according to Napier, and will continue as long as morale is kept high.

J.V. & Frosh. Soccer Score Big

The Junior Varsity team started out with a strong attitude toward the season. The team put out a good effort at the games, even though they realized they lacked some experience. Some of the original J.V. players were drafted by the Varsity team, thus weakening the strength of the J.V. team. Coach Steve Yorke is looking toward next year with much optimisim.

Eric Wade uses his chest to skillfully stop the ball and take it upfield to help in a scoring drive.

Front row: Kim Stevens. Middle row: Alisa Honore', Linda Guadarrama, Kathy Stratford. Top row; Rachel Afaese, Cheryl Renouard, Jill Palmer, AnneMarie Jensen, Carolyn Peters, Lisa Hastings.

Varsity Girls Basketball led by Lauriece Jenkins had a fair season. Cheryl Renouard, captain of the team, was the only returning player on varsity. Overall Cheryl was very enthusiastic and had the highest ranking points for the team. The most improved player, AnneMarie Jensen (alias Flying Twinkie) proved by the middle of the season that she could really hustle.

Rachel Afaese, forward, led the team in offense as well as in rebounds. Jill Palmer was a strong offensive player and a hard worker. Freshman center, Lisa Hastings aided in rebounds and showed a great deal of enthusiasm. Carolyn Peters came back strong after a preseason injury. Kim Stevens was always enthusiastic and never gave up. Susan Calac showed to be a good offensive and defensive player, always giving the team great moral support. Linda Guadarrama proved to be a quick and great ball handler. Kathy Stratford showed good basketball sense on the court, even in pressuring situations. Alisa Honore', called Mama by her teammates, earned a starting position due to her great defensive ability.

The departing seniors consisted of: Susan Calac, Jill Palmer, Carolyn Peters and Kathy Stratford.

Even though the girls had tough opponents in the league and not many wins—they never gave up. They worked two to three hours every day on various drills and plays.

The team was young and learning but they played not just to compete and win but to play good ball and do their best. As for next year the team is looking forward to a better season.

J.V. had a very successful season. Coached by Tony Ricketts, the girls worked together great as a team. Laura Hughes and Stacey Smith acted as Co-captains for the season.

Freshman Laura Hughes was always shooting at the hoop and scored many points for the Pats.

The team participated in a winter tournament during Christmas vacation, placing third.

All the girls were enthusiastic and they were proud to be part of the team. But the real key to their success was ongoing team work and Patriot pride.

J.V. Leads In League Play

The Junior Varsity team had an outstanding season, suffering very few defeats. Coach Lamb feels that the team was very defensive minded and that this played an important role in the teams' success.

He also pointed out that most of the players will be moving up to the varsity team next year. This could be quite an advantage over other teams in the league.

Even though the pressure was on Sophomore Tony Frank he still managed to put one up and in for two.

Frosh Dribble With Style

The Patriots Freshman team had an overall good season. The team was coached this year by new coach Rob Gilster. There was a good attitude towards the playing of every game. Players went into the game feeling good, and, despite a win or a loss, came out of the games feeling the same way. Coach Gilster is hoping for a good team next year as well.

Seniors Scott Cowan and Jim Rhinehart perform a perfect handoff.

This year's track team started the year off right by placing third in the Michelob Invitational co-ed sprint relay. They ran well in several other invitationals also. To raise money, tracksters sold M&M's and jewelry in hopes of getting better equipment. This year O.G. got new runways and hurdles.

The boy's track team did well with such outstanding sprinters as Joe Tucker, Jim Rhinehart, Scott Cowan and Craig Hartsuyker. Top distance runners were Ulysses Belardes, Rene Zepeda, Bobby Alvarado, David Huey and Gerado Ruiz. The New Edition

This year, O.G. decided to start the freshmen cheerleading team again and hope for the best. Their wish came true because the 1985 cheerleading team was outstanding in every perspective.

They exceeded well over what was expected of them for the first cheerleading team at O.G. since 1982. Next year's cheerleading team hopes to be just as superb as this year's cheerleading team.

With the whole year to plan activities, the Associated Student Body members had numerous jobs in store for them. Under the leadership of Eileen Stoddard, the 30-member cabinet proceeded to plan activities such as music at lunch, homecoming and many assemblies.

From the beginning of the year the cabinet wanted to have a hot air balloon for Homecoming's halftime. With many phone calls and the twisting of arms, the spectacular 100-ft. balloon was arranged. And with this, the night was a great success.

The next evening at the Homecoming dance, the gym was filled with excitement and fun. With Steve West from 91X playing the music, the floor seemed to be moving.

After the thrill of Homecoming, came the Christmas Assembly. Each class, the teachers and numerous clubs performed for the captive audience. Even though the gym had many flying objects, such as doughnuts and candy, everyone seemed to enjoy themselves. As the assembly came to an end, Mr. Bill Highland, the vice-principal at the time, did the Santa Strip.

Overall, the school year was planned and attacked without many flaws. With the closing of the 1984-1985 year, the cabinet and the whole student body had many fond memories to look back upon.

Team Effort Works For NCAL

Even the toughest T.V. quiz show doesn't have anything on the North County Academic League. Three teams race to the buzzer to try to be the first one to answer questions in different areas.

In this year's decathlon, O.G.'s competitors brought home four individual awards—Nancy Stepanovich, Mickey Seidel, Renee Armstrong and Stephanie Hilton. Each school has a nine-man team comprised of "A", "B" & "C" students.

Larry instructs Mickey on a difficult essay.

Getting all the facts, Deanna, Stephanie and Sam take notes from Sandra.

This year's Spanish club has been active. The club consists of 20 students who meet regularly for dinner and other activities. Plans for second semester include a train trip to Olivera Street in Los Angeles and several hiking trips, led by Sr. Lambert. In addition to those activities they will continue to meet for dinner and an occasional movie.

Lights, Camera, Action . . . Drama

This year at Orange Glen Mr. Shive taught an excellent and thrilling drama class. The actors and actresses always put out an extra effort to make all their plays and performances a true success.

O.G. 'Patriot' Band

This years "Patriot" band was successful despite the cancellation of many parades and performances.

There were a total of three parades: Rowland Heights, where the band took a first place trophy; Lester Oaks, the band took a first place trophy, the music award and the band received the highest score ever in the history of the parade. The third parade was the Escondido Christmas parade where the band took the sweepstakes award and retired the perpetual trophy.

The band had to win the sweepstakes award four years in a row in order to take the perpetual trophy home for good.

The band had several other performances including: Knotts Berry Farm, San Diego Convention Center and the Sheraton Hotel.

This year's drum major was Tracey Ross. The tall flag captain was Karen Field. Mascot captain was Darci Rogers and Banner captain was Carolyn Peters.

Orange Glen DECA Goes Places

What is DECA? What does DECA stand for: DECA stands for Distributive Clubs of America, a business and marketing class. Many of the activities are centered at school and are designed to promote professional attitudes, marketing, leadership skills, personal and social growth, and to give students the opportunity to participate as both leaders and followers. It gives high school students an insight of occupational preparation, economic understanding, financial skill, training and human relations.

DECA students gather annually for three main conferences. The students gather to compete in marketing skills that they have practiced in class. Competition includes written tests, role-play active events, and also written-entry manual reports ranging from thirty to forty typed pages that the students must write to attend the state conference. The three conferences were held in Long Beach, Palo Alto and San Francisco.

This year DECA was granted $25,000 to purchase computers. The computers are used for inventory control in the student store and many other marketing practice skills. Graduating seniors include Todd Walters, Robert Young, Lisa Hardinge, Bill Bradley, Kim Collins, Shannon Collins and Lisa Cronican.

While at the Southern District at California State University in Long Beach, LaDonna and Luann give us a professional business smile.

Musket Staff Works To Improve

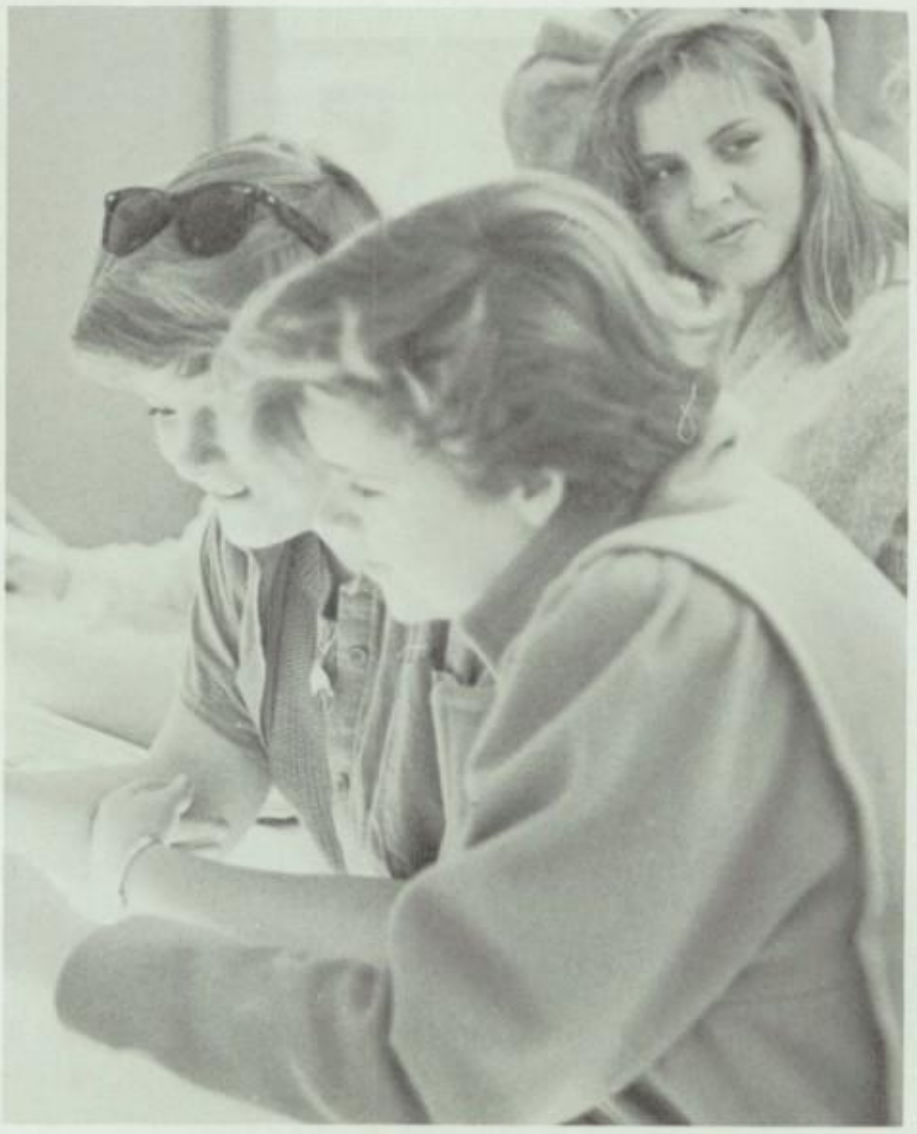
Row 1: Tom Fry, Sabrina Ryan, Frank Corales, Leesa Light, Ms. Wheeler. Row 2: Shelli Peevler, Marie Mckinley, Marc Krichman, Derek Maxson, Liz Christman and Christy Ferguson. Top row: Nicole Erler, Jennifer Mc Cormick, Lisa Hollins, Robin Calvin, Jimmy Coyle and Sandy Brown.

The Musket is produced by Orange Glen's Journalism class. Students of all grade levels work together to print ten issues per school year.

Besides learning how to write news stories, students learn the basic layout techniques, have the opportunities to meet many new people, and improve their interviewing skills.

It takes three or four weeks to create an issue of the musket. The first week, page editors plan their pages and assign stories to the reporters. The second week, stories are due and page editors begin putting their pages together. The third week, layouts are completed, and pictures and headlines are put into place. The fourth week, negatives are shot, pages are opaqued and the paper is sent to the printers. On the Friday of the fourth week, the Musket is sent out for students, teachers and parents to enjoy.

Looking serious, Leesa Light works on her news article.



Sabrina, Shelli and Liz work diligently on last minute layouts.

Yearbook Has New Editions

Much to the dread of yearbook newcomers it wasn't all as easy as it seemed. They found themselves stuck with a crash course on yearbook terms and techniques which all boiled down to lots of tests and not much fun.

Things did get better! A theme was chosen, color schemes and new ideas were brought up to make the 1985 Torch just a little better than the rest. Eventually, it did all come together, with much credit of course to our adviser, Galen Kuehnast and our editor, Eileen Stoddard.

Top of ladder: Marie Miller, Kris Ives, Allison Lindley, Pat McKinley, Marnie Wiggins, Kim Flack, Carlos Ulloa, Melanie Hopper, Jamy Marriot, Eileen Stoddard. Around the slide: Dan Hett, Kelly Johnson, Darren Applegate, Lori Miller, Tom Fry.

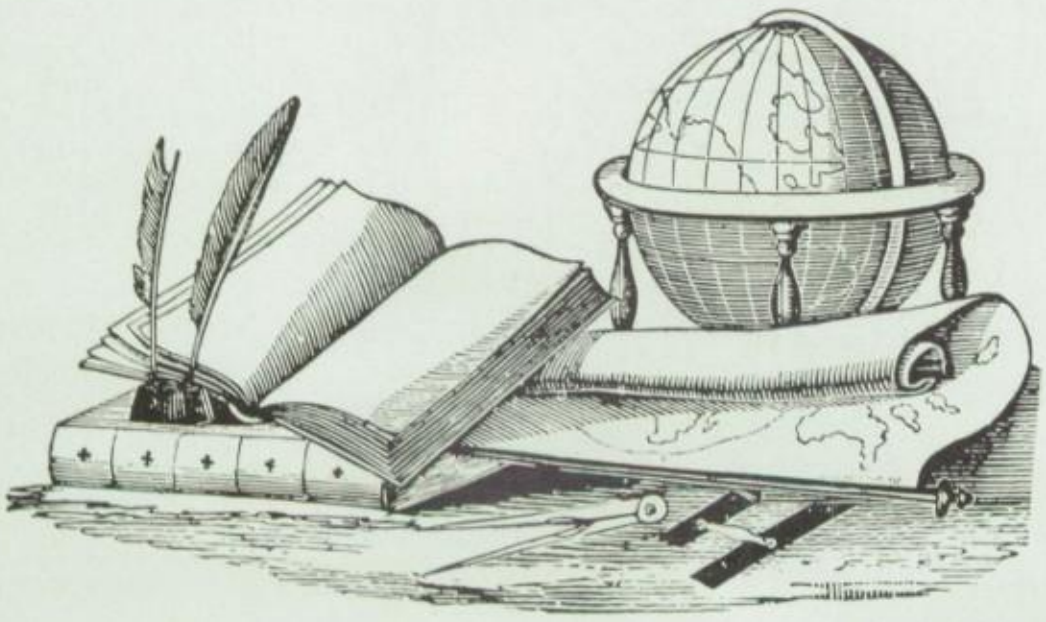
What's Up, CSF?

The 1985 CSF Club. This year's officers are: President-Renee Armstrong; Vice-Pres. Jerry Aldana; Secretary-Nancy Bold; Treasurer-Tess Plesko; Sr. Representatives-Andy Hilliard, Nancy Aldana; Jr. Representatives-Stephanie Hilton, Dean Armstrong; Soph. Representatives-Pat Morrow, Bill Dowler.



CSF: How does an Orange Glen student become a member of CSF?
Membership is determined each semester by tallying points earned in academic subjects. The student must be a senior and can earn life membership after four semesters of eligibility.

This year the club had lots of successful activities such as their tree planting venture. A group of students planted a new palm tree in front of the administration building.

Leaders

Yes, they were our leaders. They tried-and succeeded-to bring more spirit to O.G.

Although it may seem that their only job is to discipline students, this is untrue. They are our leadership role models. They are there to take suggestions that might make Orange Glen a better place.

Why did they always seem to appear in some of our classes? They didn't seem to say anything, just write notes. This was because the 1984-85 school year was the time for them to audit classes. This is done every couple of years just to make sure everyone is doing his or her job correctly.

Guiding Our Steps

When we went to them with our problems, the O.G.H.S. counselors were there to help. Their services extended from helping underclassmen choose the right classes for graduation, to helping graduating seniors choose the right college.

They also help organize the arena style registration each semester so that it runs smoothly and efficiently.

The counselors also supply information on colleges and universities and the tests required to get in: for example, the SAT or ACT tests. In conjunction, they help organize the practice SAT's that are given the first Friday of each month.

Holiday Assembly Brings Laughter And Cheer

As the gym was getting packed with students, the Christmas assembly started off with the playing of holiday songs from Rudolph the Red-Nosed Reindeer and the Chipmunks. When the assembly began the Spanish Club opened by singing numerous Mexican Christmas songs. Under the leadership of Bill Jones, the group seemed to have a winning combination.

Next came the Pep Club singing a changed version of Rudolph the Red-Nosed Reindeer. The tune was changed to Klye the Buzz-Head Basketball Player. After the Pep Club came ASB doing "The Twelve Days of Christmas." By no means were the lyrics the same as the original holiday song.

The days ranged from eight donut runs to four football wins to a freshman in a trashcan. Preceeding the cabinet, Opus One and String of Pearls tickled everyone's fancy by singing some beautiful holiday songs. As the assembly came to an end Mr. Bill Highland performed the traditional Santa Strip.

Foreign Travelers

AFS volunteers and professional staff throughout the world are moving towards the goal of peace by stimulating an awareness of mankinds common humanity, understanding of the diverse cultures of the world and a concern for global issues.

In pursuit of this goal, the core of the AFS experience has been the promotion of relationships in which families, communities, groups and maturing young persons from different cultural backgrounds share new learning situations in AFS.

In the Patriot gym, many students enjoy music by 91X at the SUPERDANCE U.S.A.

The Music Played All Night Long

Whether it's break-dancing, slow dancing or your own special style, you can do it all at SUPERDANCE U.S.A. This was Orange Glen's first SUPERDANCE and is now part of a special family of students, who, over the years, have helped make the Muscular Dystrophy Association's SUPERDANCE-U.S.A. a national phenomenon.

Where did the idea originate? It all began when Molly Wilson, the Program Coordinator for MDA, asked Orange Glen High School to be the site of an eight-hour danceathon. The dance would be held from 5-1 A.M. on Saturday, February 23rd and would involve Escondido High, San Pasqual High and Orange Glen High. With several group meetings involving the dance committees from each school, the event slowly was pieced together.

Dance marathons have raised urgently-needed dollars for MDA research into neuromuscular disease, and have helped to support the Association's comprehensive patient care programs. They've also been the major factor in bringing MDA's purpose and goals to the attention of students on college and high school campuses throughout the country. MDA's programs have grown, in large part, because of student efforts. With theirs and your steadfast support we'll be able to continue searching for cures and helping the patients we serve.

As the dance came to an end, Steve West from 91X played a few last songs. With the closing music, all the dancers left the gym with the satisfaction of knowing that they had raised over $3,200.00 to help numerous handicapped children with their disorders.

Dancing to the song, *Let's Go Crazy* Mark Lopez does some new dance steps.

Taking a break, two students sit nex to the MDA toteboard.

Juniors Are Second To None . . .

The class of '86 was a class with pride dignity. More students began to get involved with activities at school and at the same time, more felt a greater belonging to Orange Glen. School work seemed to always pile up every night, especially in U.S. History (chapter outlines, amendments, memorizing all the presidents in order). But there always seemed to be leisure time for 99-cent Monday movies, a football or basketball game, pizza or just staying at home or going out with friends.

Most juniors had their licenses, and going out to lunch was fun, but rushing back wasn't. The class of '86 with its spirit and pride that they showed, proved that they were second to none.

Sophomores, On Their Way Up

The Class of '87 managed to make it through their freshman year and came back better than ever.

Many became involved in the Pep Club, showing their patriot spirit as well as pride in themselves.

During the hotter days of the first quarter, a 'country club' was formed. The sophomores were seen relaxing in lounge chairs on the lawn, in front of the DECA store, during lunch.

As the year progressed, the Class of '87 once again proved to be a very creative, spirited and outgoing group of people that continue to make their way up.

Kristin Hussong and Renee Hill model that thrift store look.

Mike O'Brien is caught off guard.

Steve Clinger looking surprised asks, "Why'd ya have to do that?"

"My Mom makes the best sandwiches," according to Damien Wallace.

Don Lowe gives us his serious look. Eat your heart out, G.Q.

Amy Mitchell and Suzette Meskimen sigh with relief after completing registration.

Gina Hill advises everyone not to miss 'The Wild Life'.

When Marisa Lefton and Wayne Ortega get together, they find it hard to control themselves.

Looking Forward . . .

Freshmen life in the 84-85 school year is full of new experiences and expectations. It's an experience of harder graduation requirements and the changes that coincide with the switch from junior high to High-School.

Although freshmen have much more freedom, they're still looking forward to things like lunch at Burger King, drivers' licenses, new cars and becoming sophomores.

Freshman girl walks to class after the bell.

In between classes, Liz and friends stop to exchange notes.

David, George, Todd and Eric telling us "Coke is It."

Brooke and Shelly, brown baggin' it at lunch.

David Edge smiles for the camera on his way to class.

A group of freshmen boys gather for lunch.

A Very Special Thanks To:

Mr. Kuehnast
Yearbook Advisor

Of the many hours Mr. Kuehnast has put in at this school, a majority of them have been helping the many yearbook staffs bring together an annual for the entire student body to be proud of.

We, the 1984/85 Torch Staff, would like to extend our most gracious thanks and the best of luck to Mr. Galen Kuehnast, who has indicated that he is going to retire from teaching at the end of this year.

A PRAYER FOR YOU

I said a prayer for you today
And know God must have heard-
I felt the answer in my heart
Although He spoke no word!
I didn't ask for wealth or fame
(I knew you wouldn't mind)-
I asked Him to send treasures
Of a far more lasting kind!
I asked that He'd be near you
At the start of each new day
To Grant your time in heaven
And love to come your way!
I asked for happiness for you
In all things great and small-
But it was for His loving care
I prayed the most of all!

Rich,
I'm glad that I'm not the only one that mrs. Byrne doesn't like. Maybe next year we'll have a better class together. I think you can do better than your other girlfriend. I thought that note you wrote her was really nice and she shouldn't have gotten so upset. I know you probably still like her a lot, but you'll make it. Good luck! Love, Erin

Rich,
I'm glad that I got to know you better this year. I can't wait until next year, we will be seniors, it will be so much fun. You are a neat friend and have a great summer.
